MOVING FORWARD: AN OVERVIEW OF EVETMI PROGRESS

The **eVETMI** project has as objective to coverage the gap of digital, linguistic, business, intercultural, soft skills, marketing skills of VET trainees in the province through mobility and internship in Greece and abroad Education and cooperation of the collaborating bodies/colleagues regarding the Vocational Education Training on issues of mobility and internships through the promotion of the good practices/educational tools and methodologies of VET.

On this Project there are *three partners* who carry out all activities and promote the project. Specifically, **Learning Seed**, **EKVASIS** and the **Institute for Training, Employment and Learning Mobility**.

The Project has been promoted by all partners via social media channels. The overall view of the actions from all partners are **14** and the number of participants amount to **3.663 people**.

The following table shows the numbers in detail:

Partner	Number of actions	Number of participants
LEARNING SEED	6	700
EKVASIS	3	14
IFOM	5	2949
ALL PARTNERS	14	3663

In conclusion, we are proud of the progress made so far in **eVETME**. With each milestone achieved, we are one step closer to realizing our goals. We want to thank everyone who has been involved and supported the project.

But our work is not done yet. There is still much to be done and we are excited to continue this journey towards the completion of **eVETME**. We will keep you updated on our progress and share any news or developments as they happen.

So, *stay tuned* for more exciting news and updates on **eVETME**. We can't wait to share our progress with you!
